

# George House Heritage Bed & Breakfast

Visit Historic Dildo

**Built In 1885**

Visit George House Heritage Bed and Breakfast and see why this b&b is a Canada Select 5 star property – one of only four in Newfoundland and Labrador. Built in 1885 and recently restored, this historic house in Dildo, is steeped with history and within walking distance of the local marina, restaurants, hiking trail, antique and souvenir stores, whale and bird watching, and breath taking scenery.

George House Heritage Bed & Breakfast consists of 5 guest rooms which offer ocean views, ensuite bathrooms – some with Jacuzzi tubs, and luxurious beds. Our guestrooms are tastefully and uniquely furnished with period antiques and modern amenities. World-class service and amenities include daily gourmet cooked-to-order breakfast. While the b&b's turn-of-the-century ambiance has been preserved, you can expect all of the luxuries of a modern inn, including spa amenities, guest robes, turndown service, business office services, wireless internet access throughout the property and private voicemail.
